TREASURE OF KNOWLEDGE(MESSAGE)

I am glad to acknowledge that KV Ambassa,Dhalai is releasing annual newsletter for the session 2019-20.The **NEWSLETTER** is the perfect platform to share the school curriculum in the emerging socio-educational scenario. The **NEWSLETTER** has widened the horizon of imagination of the tiny-tots and highlights the innovations undertaken By the vidyalaya.Learning at primary level is best accomplished through these fun filled activities as the students learn better while celebrating various occasions.

I extend my heartiest good wishes to the students,teachers and principal who are a part of this successful venture

Writing develops excellence among the learners

The aim of education is the manifestation and development of hidden talent in students.Bookish knowledge is not all.Every child has specific talent .Their talent through the CMP newsletter provides motivation and encouragement to other students.

I congratulate the teachers for bringing out this CMP newsletter.
